EXPERIENCE

DESIGNED UI/UX ONLINE SHOP APP

2021

- UI/UX design about an online shop application for a computer brand called Aorus Gaming.
- Link Figma: <https://figmashort.link/5HfHQR>

DESIGNED UI/UX E-PARKING APP

2021

- UI/UX design of an e-parking application to make it easier for users to access the parking lot and make it easier for managers to manage the parking lot.
- Link Figma: <https://figmashort.link/hX5Se7>

DEVELOPED A PERSONAL DATA MANAGER APP

2022

- I created this Android-based mobile application using Java language. This application aims to make it easier for users to record their personal data. If there is a moment or something important, users can also make notes in this application.

DEVELOPED A PERSONAL DATA MANAGER APP

2023

- I made an inventory application using NetBeans using the Java language. This application aims to make it easier for admins to manage all ongoing goods transactions.
